Dawn Child Foundation

Programme Journey, Implementation & Learning

10-Week Cohort Field Execution, Community Immersion & Pedagogical Learnings

Official Document Details & Credentials

- Issued by: Dawn Child Foundation (Early Childhood Care & Education)
- Field Region: South Delhi Municipal Corporation (MCD) Schools & Community Centers
- Section 80G Tax Exemption Entity: DEL-80G/2023-24/A-1082

Phase I: Community Mobilization & Trust Building (Weeks 1-3)

Dawn Child Foundation began by entering 5 MCD primary schools in South Delhi. Initial door-to-door visits in Chirag Dilli and Hauz Rani revealed skepticism among parents who had never been invited to a school for collaborative dialogue. Facilitators instituted informal chai circles and non-judgmental listening posts, allowing mothers to express their daily struggles before introducing formal curriculum concepts.

Phase II: The Mindful Parenting Cohort Cycle (Weeks 4-8)

Each weekly circle follows a 4-step pedagogical arc: 1. Emotional Grounding check-in, 2. Provocation and Non-Violent Communication roleplays, 3. Hands-on Sensory Play using household materials, and 4. Gentle home pledges. Parent Engagement Groups (PEGs) achieved an 89% weekly retention rate as mothers discovered they were not alone in facing exhaustion and domestic stress.

Phase III: Institutional Integration & Graduation (Weeks 9-10)

The cohort culminated with collaborative classroom showcases where parents displayed handmade sensory toys and shared personal growth reflections with school principals. Over 15 proactive mothers transitioned into "Bachpan Saathees" to mentor incoming nursery parents.
