Dawn Child Foundation

Annual Impact Assessment Report

Quantitative & Qualitative Outcomes Across South Delhi MCD Primary Schools (2024-25)

Official Document Details & Credentials

- Issued by: Dawn Child Foundation (Early Childhood Care & Education)
- Field Region: South Delhi Municipal Corporation (MCD) Schools & Community Centers
- Section 80G Tax Exemption Entity: DEL-80G/2023-24/A-1082

Key Quantitative Outcome Indicators (N = 420 Caregivers)

- 84% reduction in daily recurring punitive reprimands and shouting at home.
- 92% increase in dedicated screen-free interactive parent-child play sessions.
- 100% unanimous parent satisfaction in aspects of Behaviour, Efforts, and Connections.
- 38% increase in morning attendance punctuality for nursery and Grade 1 students.

Classroom & School Dynamics Transformation

School headmistresses and class teachers observed a remarkable decline in nursery morning separation anxiety. Children whose parents attended the 10-week sessions settled into morning activities within 5 minutes instead of 45 minutes. Parents began actively engaging in School Management Committee (SMC) meetings to advocate for early childhood facilities.
