Transforming School-Parent Relationships

For decades, public primary school teachers and underprivileged parents viewed each other with mutual apprehension. Dawn Child Foundation bridged this divide by turning schools into warm, welcoming centers of parental empowerment. Principals reported a 45% increase in voluntary parent attendance at official school conferences.

Official Endorsements for Zonal Scaling

"In my 22 years of service in MCD schools, I have never seen parents attend school workshops with such devotion. Their children are noticeably calmer, clean, and eager to learn in class." — Smt. Sarita Sharma, Headmistress, MCD Primary Girls School, Malviya Nagar.
